City, State, Zip: Arlington, VA 22207

Company Name: Dominion Power, Verizon, Comcast  
Comments: Our organization represents 950 homes in Arlington. This is an area where there are many mature trees, and after hurricane Isabel, we were without power for periods of time ranging from 24 hours to over 7 days. In light of this experience and for aesthetic and safety reasons, we support the undergrounding of utilities.
